## WIC Peacemaking Survey (page 2)

(also available online at [www.tarabarthel.com](http://www.tarabarthel.com))

1. What are some of the most common conflicts you face in your church?
2. What suggestions do you have for churches that are trying to *better* “shepherd the sheep” through redemptive discipline, biblical counseling, and Christian conciliation ministries? (What works *well* in your church? What challenges do you face? *How are the women involved?*)
3. If you had sufficient funding, staff, and time, what new ministries would you add to your church? (What are the most pressing ministerial needs at your church? In what areas could your church improve? What *practical* help does your church need from the denominational headquarters or other PCA churches?)
4. What questions *should* I have asked you that I didn't? (And how would you respond?)
